### **GREIVANCE PROCEDURE**

1.1 An employee or the Association may grieve any complaint as hereafter provided. Such a complaint is styled a "grievance." The one grieving is styled the "grievant."

A. If a grievance involves employees from all buildings, then the association may commence processing the grievance at Step 3. The parties will endeavor to consolidate for processing multiple grievances arising out of the same misunderstanding.

1.2 (Step 1) A grievant may grieve in accordance with the following procedure:

A. The grievant shall attempt to resolve any grievance by an informal discussion between the grievant and the Building Principal or his/her designee for such purpose. If the grievant so requests, the appropriate Association representative may participate in the informal discussion. If the Principal so desires, others may participate in the informal discussion. All grievances must be so presented within twenty (20) working days (twenty [20] week days if the period described by work days would include summer vacation) of the date on which the employee first knew or could reasonably have known of the occurrence of the event giving rise to the grievance provided, however, that if a violation which may be said to have been repeated from day to day, such as failure to pay an appropriate wage rate or acts of a similar nature, excepting any violation of Article III, then the event shall be deemed to occur continually during such violation, but the District shall not be liable monetarily for the period beginning after the twentieth (20<sup>th</sup>) working day (twenty [20] week days if the period described by work days would include summer vacation) after the first (1<sup>st</sup>) day of such violation and ending on the day the grievance is presented.

1.3 (Step 2) If the grievance is not resolved informally, then:

A. The grievant shall reduce his/her grievance to writing on the form in Appendix E. The grievance so reduced and written shall describe the grievance, cite the specific Section(s) and/or Article(s) allegedly misinterpreted or misapplied and specify the relief sought; thereafter, the grievance will be what is then

so reduced and written and references thereafter to "the grievance" in the procedure refer to that written statement.

- B. The grievance then must be filed with the Building Principal or his/her designee within seven (7) calendar days after the informal discussion described in 1.2(A) has been concluded. Employees working in more than one (1) building may file "grievance" with either principal.
- C. The Building Principal or his/her designee shall within five (5) calendar days from the date on which the grievance was filed, arrange for a meeting at a mutually satisfactory time with the grievant and the appropriate Association representative. If the Principal may request, others may be present.
- D. The Building Principal or his/her designee shall formally, in writing, answer the grievance within seven (7) calendar days from the date the written grievance was filed.

1.4 (Step 3) If the grievant remains unsatisfied after receiving the principal's formal answer, then:

- A. The grievant may file a copy of his/her grievance with the Superintendent or his/her designee. Such grievance must be so filed within five (5) calendar days after receipt of the Principal's formal answer.
- B. The Superintendent or his/her designee may meet with the grievant and the chairperson of the Teacher Rights Committee, and, if the chairperson notifies the Superintendent in writing at least one (1) day prior to such meeting, a non-employee Association representative.
- C. The Superintendent or his/her designee shall formally answer, in writing, the grievance within five (5) calendar days after the grievance was filed with the Superintendent or his/her designee.

1.5 (Step 4) If a grievant remains unsatisfied after the receipt of the Superintendent's formal answer and if the grievance involves a claim involving the interpretation or application of this Agreement, then the grievance may be submitted to arbitration as follows:

- A. Such submission shall be by written notice to the Superintendent or his/her designee, and said notice

shall be given within ten (10) calendar days after the date of the Superintendent's formal answer.

1.6 Arbitration shall be conducted as follows:

- A. The arbitration proceeding shall be conducted by an arbitrator selected by the Superintendent and the Teacher Rights Committee within ten (10) calendar days after notice has been given, if possible. If the parties fail to select an arbitrator, the Iowa Public Employment Relations Board shall be requested to provide a panel of five (5) arbitrators. Both the Superintendent, or his/her designee, and the Teacher Rights Committee shall have the right to strike out two (2) names from the panel. The party requesting arbitration shall strike out the first name; the other party shall then strike one (1) name. The process will be repeated, and the remaining person shall be the arbitrator.
- B. The jurisdiction of the arbitrator shall be limited to the interpretation and applications of the provisions of this Agreement and the obligations of the parties under such Agreement. The arbitrator shall have no power or authority to change or amend the conditions or applications of this agreement, or to so interpret, enforce, or implement the Agreement, that the Agreement would become invalid and unenforceable by reason of Section 17, Paragraph 1, of the Act. The grievance arbitrator must rule within thirty (30) calendar days of the hearing. Failure to timely render the award shall not jeopardize either parties rights under the contract. The decision of the arbitrator shall be presented in writing and shall be final and binding.
- C. Expenses for the arbitrator's services and the expenses which are common to both parties to the Arbitration shall be borne equally by the District and the Association. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.
- D. Failure by the grievant to press a grievance or claim which could be grieved in accordance with the stated time limitations of the grievance procedure (1.2-1.6 (D)) shall result in a total and complete bar to further processing of the grievance, the grievance itself, and to any and all enforcement by any means of the claim which gave or could give rise to the grievance. Failure by the Building Principal, the

Superintendent, or their designee to answer and meet in accordance with the stated time limits shall permit the grievant to press the grievance as though an unsatisfactory answer had been given. The parties may mutually agree to extend or shorten the stated times for the processing of a particular grievance.

- E. Grievance shall be processed and handled by the parties including an employee grievant, and meetings and arbitration so held and conducted, that there be no interference or interruption of instructional programs and related work activities of the grievant or employees generally, except as the Superintendent, Principal or other designated representative shall otherwise agree in writing. If the Superintendent, Principal, or other designated representative does so agree to a meeting as provided in 1.2(A), 1.3(C), and 1.4(B), during the work day, the grievant and his/her Association representative shall receive no loss in compensation.
- 1.7 The Association or an employee shall seek enforcement of the terms and conditions of this Agreement by utilizing in full the grievance procedures of this Agreement, before any resort to judicial means of enforcement described in Section 17, Paragraph 5 of the Act; Section 23 of said Act; and Section 24 of said Act.
- 1.8 If the Association or an employee files any claim or complaint in any other form other than that under the grievance procedure of this Agreement, then the District shall not be required to recognize such a claim or complaint, and such claim or complaint shall be void and have no other force or effect.
- 1.9 The District shall give, upon written request by a grievant, any information necessary for the processing of the grievant's grievance, except for documents deemed confidential under this Agreement or otherwise confidential under law.
- 1.10 Records dealing with the procession of a grievance shall be filed in the Personnel File of any of the participants.
- 1.11 The Association shall within fifteen (15) school days from the effective date of this Agreement provide the Superintendent or his/her designee a list, in writing, of all faculty representatives and the jurisdiction area they serve. Changes in this list shall be furnished by the Superintendent or his/her designee promptly, in writing, as they occur. School Administrators shall not be obligated

to recognize any Association representative if not properly certified in accordance with this provision.

- 1.12 The Chairman of the Teacher Rights Committee will certify to the Administration which representative is to represent an employee in the grievance procedure or as to any step in the grievance procedure. School Administrators shall not be obligated to recognize any Association representative if not properly certified in accordance with this provision.

## **ARTICLE II**

### **PROFESSIONAL STAFF EVALUATION PROCEDURES**

- 2.1 The evaluation system shall consist of formal observations, artifact collection, and review of additional data gathered by the administrator.
- A. During the first two years of employment with the Northeast Community School District, all beginning teachers will participate in Tier I of the Professional Staff Evaluation System. Staff new to Northeast, but not new to the profession, will spend one year in Tier I. Tier I staff members may be assigned to Tier I for an additional year by their evaluator. Written notification of this decision will be provided to the employee by March 30. Upon successful completion of Tier I, teachers will be placed on Tier II of this system.
  - B. If an evaluator determines, at any time, as a result of a teachers' performance, that the teacher is not meeting district expectations under the Iowa Teaching Standards and Criteria, and any other standards and criteria established in the collective bargaining agreement, the evaluator shall recommend to the district that the teacher participate in Tier III, an intensive assistance program. The intensive assistance program and its implementation are not subject to negotiation or grievance procedures established pursuant to chapter 20.
  - C. Either the staff member or the evaluator(s) may initiate informal discussions of progress at any time throughout the cycle. Disagreements occurring between the staff member and the evaluator(s) concerning any aspect of the professional staff evaluation process will be resolved through discussions with the Superintendent and a representative appointed by the

Northeast Community Education Association.

- 2.2 The evaluation process will begin with written notification to the staff member within four weeks of his/her first day of work. Each new staff member will participate in an individual or group orientation conference prior to the beginning of the observation process. During this orientation conference, the procedures, forms, criteria, and timelines for evaluation will be reviewed and discussed.
- 2.3 Formal observations shall include pre- and post-observation conferences that will be scheduled for dates and times mutually agreeable to the staff member and the evaluator(s). For staff members in Tier I, the evaluator(s) shall conduct a minimum of three formal observations in the first year and a minimum of one observation in the second year. For staff members in Tier II, the evaluator(s) shall conduct a minimum of one formal observation during a three-year cycle.
- A. A staff member's participation in any phase of the evaluation process does not mean that an administrator may not visit that staff member's classroom or observe sessions conducted by the staff member. Administrators will continue to monitor the performance of all staff and will address concerns with staff members as they arise.
- 2.4 On/before October 15 of each year, all staff members in Tier II will submit an Individual Career Development Plan based upon the Iowa Teaching Standards and Criteria, the District Career Development Plan, and the needs of the teacher.
- A. Should a staff member or group wish to amend the plan during the term of the Career Development Plan, the staff member or group will discuss proposed changes with the evaluator(s) and submit a revised plan.
- B. Each staff member will complete a Summary Report on/before May 15 of Year One and Two and on/before March 30 of Year Three. The Summary Report will allow the staff member to reflect on the Individual Career Development Plan and will include the following:
- 1) How the plan impacted student achievement
  - 2) How the plan impacted the teacher's professional growth

3) How the plan addressed the Iowa Teaching Standards and Criteria

4) Individual teacher reflection about the implementation and outcomes of the plan

2.5 All professional staff will be required to create and maintain a professional portfolio.

A. Teachers holding the initial license will create and maintain a professional portfolio in preparation for the comprehensive evaluation demonstrating evidence of the Iowa Teaching Standards and Criteria. This will be given to the evaluator on/before March 30 of year two.

B. Teachers new to Northeast, but not new to the profession, will create and maintain a professional portfolio in preparation for the comprehensive evaluation. This professional portfolio will meet the Tier II Portfolio Minimum Requirements as noted in the Professional Staff Evaluation Handbook and be given to the evaluator on/before March 30 of year one.

C. Staff members in Tier II will collect evidence of progress in a professional portfolio. This professional portfolio will meet the Tier II Portfolio Minimum Requirements as noted in the Professional Staff Evaluation Handbook and will be shared with the evaluator(s) on/before May 15 of Year One, during the post-observation conference of Year Two, and on/before March 30 of Year Three.

2.6 Informal or unannounced observations and other informal input may be used to provide additional data in the evaluation process. Other information may include (but is not limited to) observations of the staff member's interactions with students, parents, or other staff members, professional involvement, management of conferences, work on committees, interactions with community agencies, participation in staff meetings or work on teams with fellow staff members. All data and input that is gained from other sources will be made known to the staff member.

2.7 If a decision is made to place a complaint directed toward an employee in her/her personnel file, the placement in the personnel file shall be called to the employee's attention, in writing, within five (5) working days of that decision. A response from the employee, in regard to said notice, shall be written and presented to the supervisor within ten

(10) days of the employee's notice. The employee's response shall become a part of said file.

- 2.8 Each employee and/or associate, with employee permission, may, upon request, have access to the employee's official evaluation file for purpose of inspection and review, and upon request, will within five (5) calendar days of such request, have available a copy of any material contained therein. The employee may respond in writing to material derived from the evaluation process contained in or hereafter placed in the file, and such response will become a part of the file.
- 2.9 Teachers who hold an initial license are required to have successfully completed the two year mentor program. Teachers new to Northeast, but not new to the profession, are required to successfully complete a one-year mentoring program.
- 2.10 A comprehensive evaluation will occur at the end of year two for beginning teachers, at the end of year one for staff new to Northeast, but not new to the profession and at the end of year three for Tier II staff. Prior to the filing of the comprehensive evaluation, the evaluator(s) and staff member will have a final conference to review the evaluation. The staff member will sign and receive a copy. The staff member's signature indicates that the staff member and the evaluator(s) have discussed the evaluation together. It does not necessarily mean that the staff member agrees with all ratings or remarks contained in the evaluation. The evaluator will submit this review to the Superintendent's office by May 15.
- A. The staff member may, if he/she wishes, submit a "rebuttal" to the comprehensive evaluation document. This "rebuttal" must be in writing and must be submitted to the evaluator(s) within ten school days following the summative evaluation.
- 2.11 An employee may file a grievance concerning any Tier I or Tier II evaluation as permitted by the Grievance Procedure Article of this agreement.

## ARTICLE III

### SENIORITY

#### 3.1 Definitions applicable to this article are:

- A. The term "seniority," whenever used in this Agreement, shall mean the relative ranking of employees in the bargaining unit in term of the employee's continuous employment in the School District and shall be as already established by the existing employment record. When an employee voluntarily or involuntarily transfers after July 1, 1983, from one (1) classification to another, he/she keeps all accumulated seniority in the previous classification and starts accumulating from zero in the new classification.

If a layoff occurs in the new classification, the employee would retain displacement right in the previous classification.

If, at the time of layoff in a classification, two (2) or more employees have the same seniority, the District shall use the date the employees signed their initial District contracts to determine the employee with more seniority. The employee with the earlier signing date shall be deemed to have the greater seniority.

If the two (2) employees signed their initial District contracts on the same day, a random drawing shall be conducted to determine the employee to be laid off.

- B. The term "classification" shall mean the classification in which the employee is employed, (employees who teach in more than one [1] classification will receive a full year in each classification) and in which he/she has established seniority rights, and for all purposes covered by this Article, shall be as already established by the existing employment record. The classifications involved are hereinafter set out.

- A. The term "layoff" shall be used in laying off from regular duty within the classification listed in 3.3.

#### 3.2 When the Board determines that a layoff is necessary, it shall first determine the classification in which the layoff is to occur.

- A. The school shall provide written notice to each affected employee in compliance with Chapter 279 of the Code of Iowa.
  - B. Employees within the classification shall be laid off according to seniority except as follows:
    - 1. Normal attrition resulting from employee retirement or resignation will be relied upon.
    - 2. Employees with emergency and/or temporary certifications shall be laid off first.
    - 3. Employees with the least seniority within the classification shall be laid off next.
      - a. Seniority can be overridden only when necessary to retain an employee to maintain a program.
      - b. A program shall be considered to be maintained as long as other individuals who are qualified and certified can be found to accept the position.
- 3.3 Employees shall be classified according to their assignments for purposes of seniority, into the following classifications:

Alternative Education (High School)  
Art - (K-12)  
At-risk (Elementary)

- A. If an employee is employed in two (2) or more classifications, that employee will not be laid off through the application of seniority except when a more senior employee in one (1) or more of the classifications has certification in the work assignment. The employee will have recall rights to that named two (2) or more classifications as well as to any separate openings in the named two (2) or more classifications.
- 3.4 No employee shall be asked to resign for reasons of staff reduction; however, this does not preclude the administration from discussing the possibility of staff reductions with employees.
- 3.5 Seniority is lost or broken in the following circumstances:
- A. If he/she quits, either by (1) notifying the Superintendent or his/her designee, or (2) remaining away from his/her assignment three (3) working days or more while not on leave without a reason satisfactory to the Superintendent.
  - B. If, after a layoff out of the District, he/she fails to report to work within fifteen (15) working days (fifteen [15] week days if the period described by work days would include summer vacation) after being notified in writing at his/her last known address to do so, unless prevented by illness or other reason(s) satisfactory to the Superintendent. Employees laid off and desiring to retain their seniority rights must keep their address known to the Superintendent.
  - C. If he/she is unemployed by the School District for a period equal to his/her length of service prior to layoff or a period of two (2) years, whichever is the lesser.
  - D. Duly authorized leaves do not break seniority.
  - E. An employee selected for recall will be informed by the Board of her/her recall in writing. Such written notice shall specify the position to which the employee is being recalled and the date of the recall.

The Notice shall be mailed by certified mail, return receipt requested, to the last known address of the employee as shown on school records. The notice shall be considered received by the employee five (5) calendar days after posting or on the date the return receipt is signed, whichever is sooner. It is the responsibility of each employee on recall to keep the district advised of his/her current address. Within ten (10) calendar days after an employee receives a notice of recall, the employee must advise the district in writing, either hand delivered to the Superintendent or Board Secretary, and recited for or sent by certified mail, return receipt requested and received within (10) calendar days, that the employee accepts the position offered in the recall notice and that the employee will be able to commence employment on the date specified in the recall notice. The commencement of employment requirement may be extended by the Superintendent. Any and all re-employment rights granted to an employee on staff reduction shall terminate upon the employee's failure to accept a recall within the above noted ten (10) calendar days.

- 3.6 A list showing the names of employees who have been laid off or who have been recalled will be made available in the Superintendent's office and shall be posted in all buildings on bulletin boards. If any deviation is made from seniority, an explanation will be made upon request. There shall be no redress to the grievance procedures by an employee in connection with layoff or recall unless a grievance is presented within twenty (20) working days (twenty [20] week days if the period described by work days would include summer vacation) from actual date of layoff or recall.
- 3.7 A recall shall occur upon an opening occurring in a classification as to which there has been a previous layoff from which there are employees with recall rights as determined by 3.8(A). Such an opening shall not be filled other than by a recalled employee, unless by operation of 3.5(B), no such recallable employee remains.
- 3.8 Employees who are laid off shall have the following recall rights:
  - A. Non-probationary teachers have recall rights for two (2) years from the last day of contracted service.
  - B. Recall shall be to the classification from which the employee was laid off and to such classifications to which the employee may have had displacement rights.

Teachers who were teaching in two (2) or more classifications shall have recall rights to each classification.

- C. Vacancies shall not be filled other than by recall unless there is no employee with recall rights to the vacant position. If two (2) or more teachers are on recall and could be recalled to a position, the teacher with the most District seniority will be recalled.
- D. If two (2) or more teachers are on recall and could be recalled to the same position and have the same seniority, the teacher with the most seniority within the classification of the recall positions shall be recalled.
- E. If a recalled employee is offered a position that is not equivalent in time (i.e., a full-time offered half-time) and refused the position, the employee does not forfeit his/her recall rights.
- F. If two (2) or more part-time teachers are on recall and could be recalled to position and one (1) teacher was previously a full-time teacher with the District, the previously full-time teacher shall be recalled.
- G. Should a layoff result in a situation where a part-time employee refuses to take a full-time position, the District has the right to fill the full-time position in whatever manner they deem to be in the best interest of education for the District in that a part-time more senior employee could be laid off and a less senior employee placed in the full-time position.

3.9 Displacement rights shall be as follows:

- A. If the least senior K-6 person laid off is teaching in grades 4-6, that employee may displace a less senior person in Middle School provided the employee has approval, a major or minor, or previous teaching experience in the position.
- B. Middle School employees who are reduced and properly certified may displace into grade school.
- C. K-6 displacement does not extend into Senior High, nor do Senior High teachers have displacement rights in K-6.

## ARTICLE IV

### TRANSFER PROCEDURES

- 4.1 The movement of an employee to a different classification/position shall be considered a transfer.
- A. "Classification" shall be as defined in 3.1(B).
  - B. "Position" shall be defined a specific assignment within a classification; e.g., Seventh Grade Language Arts is a position within the classification of Language Arts, or Fourth Grade is a position within the classification of Kindergarten-Six.
- 4.2 Voluntary transfers shall be processed according to the following procedure:
- A. The Superintendent shall deliver to the Association and post in all school buildings a list of the vacancies which occur during the school year and for the following year upon official knowledge of vacancies.
  - B. Employees who desire a transfer may file a written statement of such desire with the Superintendent.
    - 1. Such statement shall include the specific classification/position the employee desires to be transferred to.
    - 2. Such requests for transfer for the following year shall be submitted as soon as practical and not later than June 10<sup>th</sup> for the first (1st) semester or December 1<sup>st</sup> for the second (2nd) semester.
  - C. As soon as practical, and no later than June 1<sup>st</sup>, the Superintendent shall post in each school, and deliver a system-wide schedule showing the names of all employees who have been transferred and the nature of such transfer.
  - D. The Superintendent shall reply in writing to an employee's written statement of desire to transfer within ten (10) days of such request.
  - E. If an employee's request for transfer has been denied, a renewed or subsequent request the following school year shall be processed as described in this Article.

- F. If more than one (1) employee has applied for the same position, the determination as to which employee shall receive it shall be made by the administration.
- 4.3 Involuntary transfer shall be accomplished according to the following procedure:
- A. Notice of an involuntary transfer shall be given in writing to employees as soon as practical and in no case later than May 1<sup>st</sup>, except as provided in 4.3(A) (1).
    - 1. Involuntary transfer shall be made only as the result of an unforeseen circumstance like the death of an employee or an emergency situation similar in nature, or to prevent the undue disruption of the instructional program.
    - 2. Transfers made as a result of the closing of a facility shall not be considered an involuntary transfer. The closing of a facility, which results in staff reduction, shall not be used to deviate from the provisions of Article III.
  - B. No position shall be filled by means of involuntary transfer if there is a qualified volunteer available to fill a said position except as provided in 4.3(D).
  - C. An involuntary transfer will not take place until reasonable attempts have been made to hire an acceptable certified teacher to fill the vacated position. Only in a circumstance when an acceptable certified teacher cannot be hired, can present staff members be involuntarily transferred to fill a vacated position. This language does not prevent the district from eliminating positions. The Superintendent has final and sole discretion in deciding who shall receive an involuntary transfer.
  - D. An involuntary transfer shall be made only after a meeting between the employee involved and the Superintendent, and if the employee wishes, a representative of the Association, at which time, the employee shall be given reason(s) therefore.
  - E. A list of open positions/classifications in the School District shall be made available to all employees being involuntarily transferred.
    - 1. Such employees may request the positions/classifications in order of preference, to which

they desire to be transferred.

2. All such employees shall be given adequate paid time off up to and including one-half (1/2) day for the purpose of visiting school(s) at which open positions/classifications exist.
3. Employees being involuntarily transferred from their position/classification shall have preference over those seeking voluntary transfer in regard to choice among those positions/classifications which are vacant.

## **ARTICLE V**

## **ARTICLE VII**

- 7.3 No employee shall be asked or required to search for a bomb.

## **ARTICLE VIII**

### **MEDICAL EXAMINATIONS AND HISTORY**

- 8.1 Aside from any other conditions incident to hiring or application to hiring the District may impose or the District may require a statement from a licensed physician of the applicant's choice attesting to the applicant's physical ability to perform prospective duties and freedom from communicable disease, and the physical examination(s) of a type or kind required by the District. If the required examination is performed by a licensed physician (medical doctor or osteopath) of the applicant's choosing, the District shall subsidize the cost of the physical exam to the extent of covering the difference between the insurance payment and the employee payment up to twenty five dollars (\$25.00) upon submittal of insurance company documentation showing the amount of insurance payment. If additional examinations are performed by a licensed physician (medical doctor or osteopath) of the District's choosing, the District shall bear the expense. A failure of the District to designate a physician when it extends a conditional offer shall be construed to be permission to use a physician of the applicant's choice. Nothing in this Section (8.1) shall be construed to mean that the District is bound to accept for employment anyone either not physically able perform prospective duties or subject to communicable disease or who has not fulfilled every other condition of certification and/or training imposed or required. The form to be completed by the physician shall state: "Attention; the District shall subsidize the cost of the physical exam to the extent of covering the difference between the insurance payment and the employee payment up to twenty five dollars (25.00) upon submittal of insurance company documentation showing the amount of insurance payment."

**Memorandum of Understanding  
Between  
The Northeast Community School District  
And  
The Northeast Community Education Association  
Re: Teacher Compensation/Teacher Quality Bill**

In arriving at a settlement for the 2002-2003 Master Contract the parties have made no changes to the contract as a result of the passage of Teacher Compensation/Teacher Quality Bill (TC/TQ) by the last (00/01) legislative session of the Iowa General Assembly. This was due to considerable uncertainty as to whether the TC/TQ Bill will be amended or repealed by the current (01/02) session of the Iowa General Assembly.

Due to the above, the parties have agreed to the following:

1. Model Comprehension Evaluation Language:

The Model Comprehensive Evaluation currently being developed by the Iowa Department of Education, pursuant to section 256.9(50) of the Iowa Code, when completed shall be the basis for a joint review committee of the parties to seek to arrive at a joint recommendation to the negotiations teams for negotiating the 2003/2004 Master Contract.

2. Mentor Program Language

The Professional Mentoring Program for the Northeast Community School District is a program of support and assistance for new Professionals. A New Professional is any licensed individual in his/her first or second year of teaching. A Mentor is a teacher who has been trained and assigned by the District to provide assistance to a New Professional in the District's Professional Mentoring Program.

- A. If the Mentor/New Professional team experiences difficulty or the professional relationship is not working, either the Mentor or the New Professional may request that a new Mentor be assigned.
- B. Mentoring assistance and induction activities shall not be used in evaluating the New Professional.
- C. A mentor shall not participate in any formal or informal evaluation of a New Professional, nor will a

Mentor be requested or directed to make recommendations supporting or denying continued district employment or recommendations for continuation or renewal for licensure of a New Professional, nor will a mentor testify on either party's behalf during an appeal process.

- D. Other than a notation to the effect that a teacher has served as a mentor, a teacher's activities as a Mentor shall not be part of the teacher's evaluation.
- E. Mentors will not be required to mentor more than one (1) New Professional each year.

### 3. Mentor Compensation

Individuals designated as Mentors will be compensated by the state at a rate set by the TC/TQ Bill, subject to receipt of the state funding as set forth in state law. If the amount for each Mentor is less than provided for during the 2001-2002 school year, the Mentor may refuse to serve in this role.

### 4. Distribution of Teacher Compensation Funding

In the event that the TC/TQ is funded the Distribution will be as follows:

- A. Minimum salaries for the first-year beginning teachers, second year beginning teachers, and Career I teachers will be paid according to the salary provisions of the law.
- B. Any remaining funds from the District's appropriation will be distributed to all other teachers using a distribution consistent with Phase II indexes.
- C. All calculations will be based on the teachers employed by the third Friday in September. The calculated numbers will remain constant throughout the year.
- D. Payments are expected to be received from the state on a quarterly basis. Payments to the teachers will be made within thirty (30) days of that quarterly receipt.
- F. The employer's share of FICA and IPERS will be deducted from the District's Career Path appropriation.

In the event that the TC/TQ bill is amended by the current Iowa General Assembly, the parties agree to modify as needed this Memorandum of Understanding.
